Kathy Mattea

INTRO

VERSE 1

IC |Bm |D |D |
IC |G |Bm |A/C# |
|Bm |A/C# |D |C G |

I heard a voice last night in my sleep,
I dreamed it was you callin' to me.
It echoed sweet and low,
Like every song I've known – callin' me home

CHORUS

I:D G |Bm A :|(4x)

Swift as an arrow, true to it's mark
Right from your lips, straight to my heart.
Moves me like thunder, soothes me like rain
The sound of your voice callin' my name.

VERSE 2

IC |Bm |D |D |
IC |G |Bm |A/C# |
|Bm |A/C# |D |C G |

Above all the noise, and over the crowd
Softly your voice calls me out loud
No one else can hear,
But for me it sounds so clear – drawin' me near.

CHORUS

I:D G |Bm A :|(4x)

BRIDGE

|D |D |Bm |Bm |
IC Bm |A |Bm |A/C# |
|D |A |

Deep in my heart, down in my soul
Callin' me home, like a whisper on the wind,
You'll find me once again,
And I can hear you callin' –

CHORUS

I:D G |Bm A :|(4x)
