Jonny Lang

INTRO:

VERSE 1:

|:Cm Dm :| (7x)

|Cm Dm Cm|

Look at the man with the smile on his face-
Look like he's always feelin' good.
Sometimes you might wanna take his place,
And sometimes, I think that you would.

CHORUS

|:Ab |Cm :|

|Cm Dm |Cm/Eb F |Ab7 G |Cm |

|Cm/Eb Ab |Cm |Cm/Eb Ab |

When the sun is goin' down,
And there is no place to hide.
Even in the brightest light,
You might lean toward the darker side.

VERSE 2:

|:Cm Dm :| (7x)

|Cm Dm Cm|

Look at the people, they learn how to lie so easy.
They learn how to lie to get what they need-
And after they got what they needed
Oh, it turns into a simple case of greed.

CHORUS

|:Ab |Cm :|

|Cm Dm |Cm/Eb F |Ab7 G |Cm |

|Ab/Eb G/D |Cm |Ab G |Cm |

When they no longer feel ashamed,
And they lost all sense of pride.
Misery loves company,
And it's lonely on the darker side.

Darker Side

Jonny Lang

And when the party is over
And the music has died.

You'll be dancin' to the music, baby-
Somewhere on the darker side,
Somewhere on the darker side.
