|:Bb            |F            |Ab            |Eb            |  
|Ebm           |Bb            |C7    F7       |Bb            :|

When the rain is blowing in your face  
and the whole world is on your case  
I would offer you a warm embrace  
To make you feel my love

When evening shadows and the stars appear  
and there is no one there to dry your tears  
I could hold you for a million years  
To make you feel my love

## BRIDGE

|Eb            |Bb            |D    Eb       |Bb            |  
|Eb            |Bb            |Cm7           |F            |

I know you haven't made your mind up yet But I would never do you wrong  
I've known it from the moment that we met No doubt in my mind where you belong

|:Bb            |F            |Ab            |Eb            |

I'd go hungry, I'd go black and blue  
I'd go crawling down the avenue  
No, there's nothing I wouldn't do  
To make you feel my love

|Eb            |Bb            |Cm7           |F            |

The storms are raging on the rollin' sea Down the highway of regret  
The winds of change are blowing wild and free You ain't seen nothing like me yet

|Ebm           |Bb            |:C7    F7       |Bb            :|

I could make you happy, make your dreams come true  
Nothing that I wouldn't do  
Go to the ends of the earth for you  
To make you feel my love  
To make you feel my love.
