## VERSE 1

|:G7:| (8 mm.)

Takin' my time choosin' my lines  
Tryin' to decide what to do  
Looks like my stop don't wanna get off  
Got myself hung up on you

Seems to me you don't wanna talk about it  
Seems to me you just turn your pretty head and walk away

|G C |G C |

## VERSE 2

|:G7:| (8 mm.)

Places I've known things that I'm growin'  
Don't taste the same without you  
I got myself in the worst mess I've been  
And I find myself starving without you

## CHORUS

|Em |C |Em |C D |  
Seems to me talk all night here comes the morning  
Seems to me you just forget what we said and greet the day

**Riff:** |G |A |Bb |A |

**SOLO** |:G C |G C :| (4X)

## CHORUS

|Em |C |Em |C D |  
Seems to me you don't wanna talk about it  
Seems to me you just turn your pretty head and walk away

|G C |G C |

## VERSE 3

|:G7:| (8 mm.)

I've got to cool myself down stompin' around  
Thinkin' some words I can't name ya  
Meet ya halfway got nothin' to say  
Still I don't s'pose I can blame ya
