IE **ID** **IA** **IC G D/F# A** **|**

I woke up in a soho doorway. A police man knew my name.
 He said you can go sleep at home tonight if you can get up and walk away.
 I staggered to the underground and the breeze blew back my hair
 I remember throwin' punches around, and preachin' from my chair.

Chorus

I:E **ID/E** **IF#-/E E F#-/E E IE** **:| 4x**
 (Who are you? Who, who, who who?) *repeat through out*
 Well, who are you? I really wanna know.
 Tell me who are you? Cause I really wanna know

I took the tube back out of town, back to the rollin' pin
 I felt a little like a dying clown with a streak of rin tin tin
 I stretched back and I hiccupped and looked back on my busy day.
 Eleven hours in the tin pan. God there's got to be another way

 (Who are you? Who, who, who who?) *repeat through out*

 I know there's a place you walked where love falls from the trees
 My heart is like a broken cup. I only feel right on my knees.
 I spit out like a sewer hole, yet still receive your kiss.
 How can I measure up to anyone know, after such a love as this
