Another day has gone, I'm still all alone
 How could this be, You're not here with me
 You never said goodbye, Someone tell me why
 Did you have to go, And leave my world so cold
 Everyday I sit and ask myself, How did love slip away
 Something whispers in my ear and says

That you are not alone, For I am here with you
 Though you're far away, I am here to stay
 But you are not alone, For I am here with you
 Though we're far apart, You're always in my heart
 But you are not alone

'Lone, 'lone
 Why, 'lone

Just the other night, I thought I heard you cry
 Asking me to come, And hold you in my arms
 I can hear your prayers, Your burdens I will bear
 But first I need your hand, Then forever can begin
 Everyday I sit and ask myself, How did love slip away
 Something whispers in my ear and says

That you are not alone, For I am here with you
 Though you're far away, I am here to stay
 For you are not alone, For I am here with you
 Though we're far apart, You're always in my heart
 For you are not alone

Whisper three words and I'll come runnin'
 And girl you know that I'll be there
 I'll be there

 You're always in my heart
