Here is a handy reference for all of your chords in the Key of B major. Since Major and Minor keys share a key signature you have your G# minor chords here as well.

The key of B is going to have a lot of bar chords so it is a great key for you to brush up on or learn your bar chords.

If you don't know your bar chords you can still play in the key of B by using your capo. Grab your capo and put it on your 4th fret and then use the chords from the G Major Guitar Chord Chart.
